1. Draft rules for the regulation of water-supply in the City.

Resolution.—The rules as now modified be adopted.

2. The proposal of the Inspector-General of Education to make over charge of the Anglo-Vernacular Classes, I, II and III from the Government Anglo-Vernacular School in the Fort and attach them to the Municipal Vernacular School, from 1st January 1909.

Resolved that the Council are agreeable to the taking over charge of the Anglo-Vernacular Classes I, II and III from the Government Anglo-Vernacular School as proposed by the Inspector-General of Education; but they are strongly of opinion that in the interests of the school-going children, the new classes and the Kannada School classes should be provided with accommodation in the new building in the Fort built specially for the Municipal School, as it is impossible to remove the classes referred to to the Octroi Koti building which was more than once condemned, the accommodation in the present old Palace building being quite insufficient and otherwise undesirable.

The Council is also of opinion that it is not advisable to separate the Anglo-Hindustani Classes from the Anglo-Vernacular School and that Government be requested to make arrangements to provide accommodation for the High School classes elsewhere.

As regards the location of the Lower Secondary Classes, the present arrangements may continue, as a temporary measure. And if the Government are pleased to hand over these classes also to the Municipality, the Council are prepared to take over the management of these classes, as a temporary measure, in order to avoid dual control over them.

B. J. KUMARASWAMI NAIK,
President.
